

REMARKS

This response confirms applicant's earlier response in electing claims 1-38 and 50-107. This *Supplemental Response* also includes an election of species, that is, a dish made from a paperboard blank. The earlier response filed by Applicants was deemed not fully responsive to the *Restriction Requirement* of June 11, 2003 inasmuch as a species for prosecution was not elected. That omission was inadvertent.

Applicants file this *Supplemental Response* with a *Petition & fee* for a two-month extension of time as required by the Examiner. If additional extensions or fees are necessary, please consider this a *Petition* therefor and charge any fees to Deposit Account No. 50-0935.

Respectfully submitted,

Michael W. Ferrell
